***Allowable Subject Matter***

1. Claims 44-70 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 44, 53, and 62 include the limitation of initially selecting the nominal retry latency of a plurality of retry latencies as a first retry latency to be used for transactions and changing the first retry latency to a different retry latency of the plurality of retry latencies responsive to latencies of N previous transactions, which is not shown by the prior art of record, in the combination as disclosed and claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
